

ALFA GmbH

Shipbuilding Steels

■ Steel description and applications:

These plates are produced and offered in accordance with relevant national and international standards (Lloyd's Register, American Bureau of Shipping, Bureau Veritas, Det Norske Veritas, Germanischer Lloyd, RINA, Russian Maritime Register of Shipping, ASTM A 131, etc.)

The Shipbuilding plates are designed for following application:

- Commercial ships (Container Vessels, Specialized Vessels)
- Passenger Vessels (Cruise & Ferries, Yachts)
- etc.

Whether you are looking for a widespread mix of thicknesses, small quantities in any grade or when you have special requirements, our plates and bars keep each time the same high quality which makes their reputation.
